TOURS & ACTIVITIES

Chief Roi Mata domain

Join us on a must do personalized tour to the UNESCO World heritage listed, Chief Roi Mata Domain. This tour begins at the resort Jetty, from where you will be taken by boat to the site of the legendary chiefs village Mangass and later Fells cave, with views of his burial site of Retoka(Hat Island). During the tour you will learn of the cultural practices and traditions that this famous Chief began. A noteworthy point is that many of our Havannah team are descendants of the famous chief and the associated "Naflack" (clan system) he introduced some 450 years ago.

The Havannah Vanuatu is proud to support the Chief Roi Mata domain and all proceeds from this tour go to supporting the custodians of this culturally significant area.

Optional extra: Participants of the tour receive free entry voucher to the Vanuatu National Museum and Cultural Centre in Port Vila where you can view first-hand the archaeological findings of Chief Roi Mata as well as ancient Managss and Lapita pottery.

This can be done on any of the remaining days of your stay. To visit the Museum take the 10 am Havannah shuttle to Port Vila and asked to be dropped off to the Museum. After visiting the Museum you can hail a bus for 150 vt per person and be dropped off at the Port Vila Market. At 1 pm and 4 pm resort shuttle departs central Port Vila to take you back to The Havannah.
